GUARDIANSHIP FORM

Dear Friends,

India is a big country. There is a very big gap between poor and rich. Due to this, hug number of children are on the streets. They are in need of our support and love. The best place for a child is its own home; a home cannot be replaced by an institution. But if a child is taken care by a guardian we can make this situation better, so Jeevodaya is introducing you this guardianship policy. We hope that you will be happy to join hands with us in setting a future holistic development for the children who are staying with us.
